

## **“THE BEST DIGITAL CURRENCY CORPORATION in THE MARKET!”**

### **For Immediate Release: WORLDWIDE UNPARALLELED OFFERING**

**preCharge, Inc.**, based in Sheridan, Wyoming is striving to become “The Best Digital Corporation in the Market” as the company has exploded upon the scene with major partners and endorsements of their full- service corporation for its wallet holders and business partners.

Joining the **preCharge, Inc.** Team in the past few days are a group of highly successful and diverse individuals and companies, who have added tremendous value and utility to our PCPi token as well as the overall strength of the corporation. **Thirteen new partnerships and endorsements to be exact!**

From digital currency tokens to state-of-the-art business platforms and marketplace utility for our wallet holders, **preCharge, Inc.**, connects the world with an array of products, services and charitable cause marketing initiatives for all mankind.

preCharge, Inc., is very proud to announce CBD / Hempseed giant **Medical Mary** to our list of endorsement companies as well as carry 40 of their products on our precharge.global marketplace. Our wallet holders may purchase any of these products at a 25% discount off retail prices and use their **PCPi Tokens** to help make the purchase!

Another partner in the projected multi-billion-dollar Hemp Industry is **Tru Medicinals**. Their President and Owner, Michael Crist stated, “**Tru Medicinals** is happy to endorse and partner with **preCharge, Inc.** Digital currency is a necessity in today’s market and with the power of preCharge technology, we enjoy instantaneous customer transactions along with borderless transfer-of-ownership.”

One of the most ground-breaking assistance programs for low income families in Chicago, Illinois is a partnership with **Seed Credit Association**, announced by Seed CEO, Michael Carter. Utilizing the preCharge blockchain “Seed Token” to purchase goods and services using a preCharge debit card for purchases at any retail location or ATM. This pilot program could revolutionize not only the Digital Currency world but could also create the most transparent program in social services history.

preCharge, Inc. made history with **Evergreen Speedway**, Washington States only NASCAR track, to allow PCPi Tokens to be used 100% to purchase admission tickets, food vouchers and group outings. preCharge, Inc. has ventured future into the sports marketing world, adding former NBA Basketball Legends to the preCharge Marketing-Endorsement Team.

**Legendary BallStars** Managing Partner, **Joshua Williams** stated “The Legendary BallStars proudly announce their continued partnership with preCharge and look to be on the forefront of a new era in crypto currency. preCharge has been a strong supporter and we look forward to continuing to grow our relationship in the years to come. We believe preCharge is the future of crypto currency and we’re excited to be involved. While we are bringing many members of our roster to the table, we’d like to assist preCharge in sourcing celebrity influencers from around the world.” Joining the Endorsement Team is **9-year NBA veteran, Jerome “The Junkyard Dog” Williams**. Jerome is becoming a Global Ambassador for the NBA through many successful business ventures. Another addition is international basketball star **Marcus Banks**. Marcus excelled for 12 seasons across three continents and is also active in multiple civic and national projects when not playing for the BallStars.

Joining their Legendary BallStar Teammates are **Chris Smith** and **Eddy Curry**. Chris enjoyed a fine career in the NBA and a very stellar career internationally playing in Kosovo, Israel and Canada. Eddy created a great eleven-year career winning an NBA Championship with San Antonio and was one of the first NBA players to play professionally in China helping grow the sport. Rounding out the newest members to our team is 16-year professional **Ricky Davis**. Besides being a great player on the court, check out these moves to change a culture. Make your donation to the **RICKY DAVIS LEGACY FOUNDATION** and see the kind of work they do building better communities.

One of the driving forces for our management team is giving back to our communities and great causes. preCharge is very proud to be partnering and sponsoring with Jerome Williams **SHOOTING FOR PEACE** program. These national events bring together youths ages 5-18 to promote education through reading and encourage young people to engage in peaceful activities and sports. preCharge will be a major sponsor of the SHOOTING FOR PEACE Celebrity Basketball Game in Chicago, IL. for the **NBA Allstar Week**, stated Ralph Dahm, CEO of preCharge, Inc. "The partnership is exciting for both organizations. Giving back to young people is a noble cause and we forward to a long relationship."

In addition to our marketing, sales and merchandising partnerships, **preCharge, Inc.**, is very proud to partner with the **Anti-Human Trafficking Intelligence Initiative**. Safety, Security and Compliance are the core of preCharge, Inc. Being the very first digital currency corporation to partner and provide our services is something special for our team. The **ATII** aspires to pioneer necessary change in the approach to trafficking prevention, detection, reporting and collaboration to achieve justice and save lives. Founder and President, Aaron Kaher stated, "We are excited to welcome preCharge as the first crypto-currency exchange to collaborate with the **ATII** and know they will make great partners in the development of a network of socially responsible crypto providers and blockchain leaders to fight the funding of human trafficking and prevent the proceeds of trafficking through cryptocurrency."

**To celebrate these new partnerships, preCharge, Inc. is creating a LIMITED TIME OFFER!**

**As preCharge moves to launch an upcoming international exchange IEO, all new wallet holders and current wallet holders who add to their accounts, will receive a BONUS 100% match, dollar for dollar in the new International IEO launch in the next few weeks.**

**We have added tremendous value to our Utility Token that gives our customers multiple options to use not only today, but well into the future with huge opportunities.**
